GUERLAIN

SPA

Since 1979, the Relais Christine has been one of the Left Bank's best kept secrets... A favourite address, jealously guarded by artists, lovers and families who seek the friendly atmosphere of a home with the refinement and attentive service of the very best luxury hotels.

The Relais Christine pays tribute to the site's unique history by tweaking the traditional codes of luxury. This challenge was brilliantly met by decorator Laura Gonzalez who managed to safeguard its timeless soul while giving the old stones a new spin.

By hosting Guerlain in its spa, the Relais Christine has made a brilliant alliance combining exclusivity and elegance. The hotel extended the well-being area to reflect the exclusiveness of the Parisian brand. Panoramic wallpapers from Ananbô and antique stone adorn the walls of the treatment rooms. The 13th century vaults also cover the relaxing lounge, the exercise room, the Finish sauna and the mosaic jacuzzi. This setting reinforces the impression of evasion.

Formulated with the noblest natural materials and offering the most sensual textures, Guerlain treatments enjoy a peerless reputation. Orchidée Impériale, Abeille Royale, La Dédicace Guerlain – the signature treatment at the Relais Christine –, every treatment provides personalisation, luxury, emotion and sensoriality.

**In this past-imbued shrine, the guests of the spa will savour
an unforgettable moment of well-being.**

**They will benefit from a free private car park with valet
service, reserved to hotel guests.**
